

Press release

Information on the preliminary results for financial year 2022:

VGT Group considers 2022 a successful financial year. The operating result (EBITDA) at approx. € 435 million and the Group's investments at approx. € 385 million are in line with our expectations. The publication of the consolidated financial statements is scheduled for 24 March 2023.

For the current year 2023, VGT Group expects EBITDA to exceed € 500 million as well as a continuing high level of investments in property, plant and equipment as part of the Network Development Plan.
